# THE GOING IN CIRCLEZ<sup>®</sup> TYCO GUIDE VOL. 1

From one of the earliest HO-Scale pioneers, to one of the most prolific makers of toy trains: TYCO may be gone for better or worse but is certainly not forgotten. From the ubiquitous train-set fodder to the ultra-rare and unproduced, the immense scope of TYCO's offerings and unique legacy for today's modelers had rarely been considered...

...Until now!

Featuring spectacular photographs, insightful narratives, illuminating comparisons, and exhaustive descriptions, this volume highlights TYCO's production throughout the "Brown Box Era" of 1972-1993.

Rediscover one of classic HO railroading's most famous and colorful lines!
